Welcome Everyone,

We are almost half way through the Term and things are going along nicely. Students are settled and working hard. If you want to visit your child’s room feel free to contact their Teacher.

**Reports**

Reports will be sent out during Week 10.

**School Term**

Please be reminded that this Term is an 11 week Term. Last day of school will be 3rd July.

**Winter Uniform**

As the weather starts to get colder and wetter it may be a good time to ensure your child has a warm winter uniform. Stock is now available from the uniform shop.

**Sickness**

We have been experiencing a high rate of students arriving at school who are unwell and often have to go home. Can you please make a judgement that if your child is not well it may be advisable for them to remain at home until they are well.

**Website**

Our ‘re-vamped’ website is now fully operational. You can view it at [http://www.riversideesc.wa.edu.au/](http://www.riversideesc.wa.edu.au/)

Please feel free to provide any feedback to the school about its content. I am looking for any affirmations from parents about your school experience and I would be thrilled to use them on the website.

I thank you for your continued support of our great school. As always feel free to visit us at any time, your time and feedback is always valuable to us.

Kind Regards,

Jim Douglas,
Principal

Rm 37 Students stop for a snack on Walk-to-School Day
Room 31

Through PATHS (Promoting Alternative Thinking) the students have been looking at their feelings and how exercise helps us keep healthy.

The obstacle course is a fun way to exercise.

Room 32

Some of the children from Room 32 have been attending Horse Riding during Term 1 and Term 2. They have been having lots of fun going for walks around Fairbridge when the weather has been nice and sunny and playing games in the undercover when it has been a bit wet.

Here are some photos of Paul-John, Holly, Kimberly and Ryan, riding some of the beautiful horses at RDA Fairbridge.
Room 33

Room 33 have been having a great term 2! We have started up our coffee project. We have named it café 33. After completing our market research we decided which products we would sell, how much for, and on which day of the week we would deliver them to the staff at our school. We looked on the Coles and Woolworths websites to see how much items would cost us and we decided on a sensible price to charge the staff. Since week 3 we have been taking orders, preparing and delivering their orders to them on a Friday morning. We are really enjoying our café project and it is very popular with our staff!

Most of the class have been enjoying choir practices. We have the Cockburn singing festival coming up in week 8. We hope you will be able to come and see us perform. Details will be sent home soon.

Room 34

Hi Everyone. The term is in full swing and the students of room 34 have been enjoying many activities that engage and interest them to enhance their learning. Recent maths measurement activities introducing the language of big – bigger – biggest, and taller or shorter provided some entertaining scenarios as students placed teachers and themselves in order!

The walk to school excursion last Friday was a very successful activity and the students all enjoyed the exercise and different environment near the river. It also gave the students a chance to engage with children from other classes and we had a great game of soccer.

We are continuing our visits to Malibu School and engaging with the specialist resources there that are beneficial to our students.

Mr McGuffin
Room 35

We have been working hard during our maths sessions practising our counting, ordering, number recognition, adding and subtracting. We have lots different games that we use to help us with our learning. Maths in Room 35 is so much fun!

Memphis using the fish counting game

Braydon ordering numbers

Holly practising addition

Riley playing numbers bingo

Room 36

This week Room 36 have read a new fable called The Little Red Hen. The Students all enjoyed the story so much that we made some bread. In our class story everyone helped and everyone got to help eat the bread. It was delicious for lunchtime sandwiches that we made for Friday’s cooking lesson.

Room 36 also participated in the Walk to School Day on Friday. We enjoyed having our crunch and sip at the park and then walked back to school.

Room 37

Our class participated in walk to school on Friday morning. We walked down to the river and got to play on the play equipment for a while. We enjoyed having fruit and walking back to school, making sure to follow all the road rules.
