Dear Jim

I am pleased to advise that the Public School Review of Riverside Education Support Centre has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

Your school performance rating determined through your self-assessment submission and validated by the review team is 'Effective'. I acknowledge the efforts of you and your staff in creating the conditions for successful students.

The areas your school and the review team validated as being effective and those for which ongoing improvement is planned are noted.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
